# The New Bingley Open Market

The Town Square development creates a new heart for the centre of Bingley and provides a state of the art Market area with space for 36 stalls, all with pop up electricity supply and stall anchor points.

Bradford Markets Service are inviting applications from quality traders for stalls at the new Bingley Open Market which begins trading in April 2008.

The £1million Town Square development will become the new "heart" of Bingley centre and combined with new traffic calming and seating areas, will provide a high quality Market and shopping environment.

Additionally, a proposed £8m Shopping Centre development in Bingley town centre will add to the town's shopping repertoire and further benefit the new Bingley Open Market area.
